LABORATORY RECOGNITION

Kiwa Cermet Italia declares that, based on the performed assessment of the measuring equipment, skill of the staff, and applied procedures, the following laboratory:

Company: **ITALTHERM srl**

Laboratory: **Laboratorio R&D gas**

Banco 2 (for combustion and safety tests up to 150kW, heating efficiency measurement from 2 to 35 kW and domestic hot water efficiency up to 35 kW)

Banco 1, 3, 4, 5, 6 (for combustion and safety tests until 150kW)

Located in: Via Salvo d'Acquisto,
29010 Pontenure (PC), Italy

meets the applicable requirements of the standard EN ISO/IEC 17025 according to Kiwa Cermet Italia procedure PG VAL-LAB-09

The laboratory has been deemed to be competent to perform test activities on gas appliances, with reference to:

- Regulation (EU) 2016/426 on appliances burning gaseous fuels;
- Efficiency Directive 92/42/EEC and Regulation (EU) n. 813/2013.

On the following types of gas appliances:

- Boiler space heater appliances
- Boiler combination heater appliances
- Water heaters for the production of domestic hot water

This certificate of recognition regulates the acceptance by Kiwa of test measurement carried out by the laboratory within the above mentioned conditions. This certificate will remain valid as long as the testing condition aren't modified significantly and the recognition requirements continue to be met by the laboratory.
